Getting your State Pension

Important information about your options and how to get your state pension

Dear

We're writing because you'll reach state pension age on **6th July 2016**.

You can get ready to get your State Pension now, whether or not you continue working, by giving us some details online.

If you're not quite ready to get your state pension yet you don't need to anything.

When you are visit <https://pure-citadel-6720.herokuapp.com/demo/start> to get started.

It's easy and secure, guiding you through every step and telling you what will happen next.

On the back of this page you can see a list of information you might need to help you get ready to get your State Pension.

Alternatively, you can also get ready to get your state pension by calling us on 0800 731 7898.

You can't get State Pension without going online or giving us a call. Whenever you decide you are ready to get your State Pension, we will calculate it as a weekly amount.

Yours sincerely,

Pension Centre Manager

8am to 6pm Monday to Friday

Information you need to have available when you go online:

- The invite code shown on the front of this letter
- Your National Insurance number
- As we pay your State Pension into a bank account or building society, details of the account you wish to use

You may also need:

- If you are, or have been, married, your husband's or wife's details, including their National Insurance number, if possible.
- If you are, or have been part of a civil partnership, your civil partner's details, including their National Insurance number, if possible.
- The date of your marriage/civil partnership
- If you are divorced or your civil partnership is dissolved, we will also need the relevant date this happened
- If you are widowed, or you are a surviving civil partner, we need the date your partner died.
- If you have ever lived or worked outside the UK, your social security number and the dates you were outside the UK.

All information you give us is confidential.
